

Mentee Application

Name:

Position/Title:

Organization:

City, State:

Email:

Phone:

Briefly describe your experience as an affordable housing professional, including positions/organizations/# of years?

Other relevant professional or personal experience that have shaped your interest in affordable housing?

What is your desired outcome from participating in the Mentoring Program?

Do you have current or former mentors in the field of affordable housing?

If yes, please provide names:

What skills or knowledge do you already have that are useful, or you think may be useful, in Affordable Housing Development?

What knowledge or skills would you most like to gain or enhance through the mentoring program?

Are you looking for anything specific from a mentor?

Does your supervisor or organization leadership support your participation in this program?

Mentee Commitments and Graduation Requirements

- Coordinate with mentor on setting dates for monthly discussions
- Complete assignment each month (selection of learning goal, read assigned article on topic, listen to podcast, participate in webinar, watch a video, etc.); usually up to one hour
- Complete one-on-one monthly sessions with mentor; date to be selected by mentee and mentor
- Must attend in-person and virtual events throughout the 2022-23 program year, including the 2023 Nevada Housing Conference
- Provide ongoing feedback through program surveys and informal check-ins with NHC staff throughout the program year
- Complete final outcomes report

I can complete the requirements of the program as outlined above.
