Circa Resort & Casino | Las Vegas

Our **ASK**: Sponsor the 2025 Nevada Housing Conference

The Nevada Housing Coalition (NHC) is a 501(c)3 member-based nonprofit whose mission is to promote the development and preservation of affordable housing for all Nevadans through collaboration, education, and advocacy.

The Annual Nevada Housing Conference is our largest event of the year and our greatest opportunity to convene stakeholders from across the State for two days of strategic collaboration. Your generous sponsorship helps provide a meaningful event that will result in actionable priorities to address the housing crisis in Nevada.

Our **WHY**: Home Means Nevada, and Every Nevadan Deserves a Home

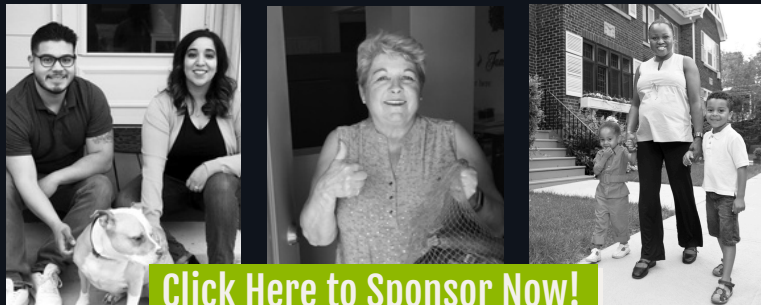

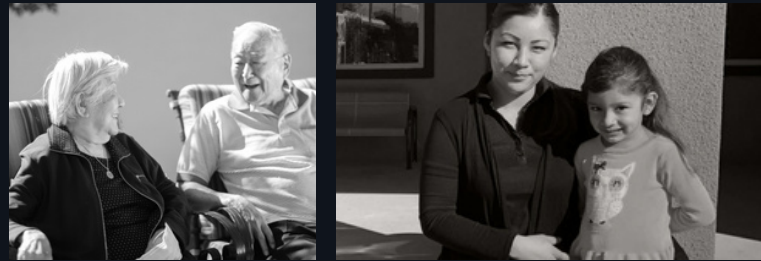

Nevada has the country's most severe shortage of rental homes affordable and available to our extremely low-income households.

 **100** Hours per week needed to work to afford a 2-bedroom apartment

 **86%** Extremely low-income Nevadans paying more than half their income on rent

 **14** Affordable rentals available for every 100 extremely low-income households

 **-78,218** Shortage of rental homes for extremely-low income renters
