**NOTICE OF REVISED APPLICATION PERIOD  
STATE FISCAL YEAR 2026 GRANT PROGRAMS**

The Nevada Housing Division is issuing this notice to inform interested parties of a revised timeline for the State Fiscal Year (SFY) 2026 grant application period.

While the application cycle has traditionally opened in spring, this year's timeline has been adjusted due to delays in the notification and allocation of funds to the Division. As a result, the application period has been rescheduled and is now anticipated to open in late summer 2025.

This updated timeline applies to the following grant programs:

- Account for Affordable Housing (AAH)
- Welfare Set Aside Program (WSAP)
- Emergency Solutions Grants (ESG)
- HOME Investment Partnerships Program (HOME)
- National Housing Trust Fund (HTF)

We recognize the importance of these funding opportunities and understand the potential impact of this delay. The Division is actively coordinating with state and federal partners to align application and award timelines and to ensure the process proceeds as efficiently as possible.

We appreciate your continued patience and understanding. Additional updates will be provided as the application period approaches.
