## **NEVADA HOUSING COALITION RECEIVES \$20,000 GRANT FROM U.S. BANK FOUNDATION**

LAS VEGAS, NV (2025) – The Nevada Housing Coalition (NHC), a nonprofit organization that promotes the development and preservation of affordable housing for all Nevadans, has received a \$20,000 grant from the U.S. Bank Foundation. The funding will be used to increase awareness about affordable housing while supporting NHC members and stakeholders through data, collaboration, and educational programming.

“Creating opportunities for Nevadans requires resources. With the support of the U.S. Bank Foundation, we are able to expand relevant programming and inclusive events that strengthen our Coalition and advance affordable housing across the state,” said Maurice Page, executive director of NHC.

NHC’s mission is to promote the development and preservation of affordable housing for all Nevadans through collaboration, education, and advocacy. As a member-based nonprofit, NHC works across sectors to draw on the diverse perspectives of its stakeholders while providing relevant data and educational programs that strengthen advocacy for affordable housing policy solutions. Key initiatives include the Annual Nevada Housing Conference, ElevateNV Affordable Housing statewide capacity-building program, and monthly virtual Lunch & Learns. All of these efforts are driven by the vision of a Nevada where every resident has access to a safe, affordable place to call home.

“Safe and stable housing helps children, families, and communities thrive. Working with NHC to create access to affordable housing is an investment that will benefit generations to come,” said Arturo Pérez, community affairs manager at U.S. Bank.

U.S. Bank is committed to powering human potential and creating lasting change in communities. The bank does this through the [Community Possible](#) platform, including philanthropy, community investments, and team member volunteerism.
